2011 NCAA DIVISION I WOMEN'S TENNIS CHAMPIONSHIPS
SINGLES AND DOUBLES SELECTIONS

INDIANAPOLIS--The NCAA Division I Women's Tennis Subcommittee has selected the 64 singles players and 32 doubles teams that will compete in the 2011 NCAA Division I Women's Tennis Championships.

The singles and doubles competition will be conducted May 25-30 at the Taube Tennis Center in Stanford, California, following the conclusion of the team championship (May 20-24). Stanford University will serve as host.

All matches shall be the best of three sets. Regular scoring and a 12-point tiebreaker at six games all will be used for all matches.

Automatic qualification into the Division I singles championships will be awarded to any conference with one or more eligible singles players ranked in the ITA Top 125 for eligible/entered singles players. For conferences with more than one singles player within the ITA Top 125 eligible/entered singles players, the subcommittee will apply the NCAA selection criteria to determine which student-athlete is the automatic qualifier from those conferences. All singles players must have a record of a minimum of 13 completed singles matches in order to be selected as an automatic qualifier or an at-large selection.

Automatic qualification into the Division I doubles championships will be awarded to any conference with one or more eligible doubles teams ranked in the ITA Top 60 for eligible/entered

doubles teams. For conferences with more than one doubles team within the ITA Top 60 eligible/entered doubles teams, the subcommittee will apply the NCAA selection criteria to determine which doubles team is the automatic qualifier from those conferences. All doubles teams must have a record of a minimum of 10 completed doubles matches in order to be selected as an automatic qualifier or an at-large selection.
